Attn: Lloyd Spikes

It seems that there is no longer the need for BMIC as an organization, in that other groups have been assuming the responsibilities for the area. In light of this and after discussion with Chairman, Jerry Moore, I propose the following:

No assessment for dues for fiscal year 1990-91.

Coordinator to maintain post office box and current duties until such time as funds run out. At that time the organization will be considered dissolved and the post office box closed.

I would publish the legal notices of budget meetings and hearings to allow for public comment. I would be available for anyone who wished to attend the hearing or meeting. The budget document would be as follows:

Personal Services:	962.00
Materials & Services:	130.00
TOTAL EXPENDITURES	1,092.00
Cash on Hand	1,067.00
Interest Income	25.00
TOTAL REVENUE	1,092.00

Detail of Materials and Services: Printing \$120.00, PO Box \$10.00.

Please indicate aye or nay, sign and return the entire page to me at PO Box 275, North Powder, OR 97867. If you have any questions, please do not hesitate to contact me at 898-2185 between 8:00 a.m. and Noon.

BMIC Members & Staff;

At its regular meeting on May 8 the city council of Elgin received notice that BMIC was considering disbanding. The council discussed the merits of having an organization such as BMIC to represent the concerns of local governments in Northeast Oregon. At the conclusion of the discussion the council by motion and unanimous vote stated their support for BMIC.

This letter is therefore to inform the BMIC membership of the Elgin city council's desire that the BMIC organization remain in existence.

Sincerely,

Lloyd C. Spikes
Mayor
